

**Last Will and Testament
of
Isaac Morgan**

I, Isaac Morgan, a resident of the State of California, being of sound and disposing mind, do freely declare this to be my Last Will and Testament. I expressly revoke any and all of my prior wills and codicils made by me. All references to “my Will” refer only to this Last Will and Testament.

Family Members

I am married to Vanessa Morgan.

The names of my children are listed below. Unless otherwise specifically indicated in my Will, any provision for my children includes the children named below, as well as any child of mine hereafter born or adopted.

Naomi Morgan
Alexis Morgan
Jonas Morgan

Tangible Personal Property

I may prepare a memorandum, signed by me, directing the disposition of my interests in certain tangible personal property. My memorandum or other similar writing directs how I give all my tangible personal property and any insurance policies covering the property and any claims under those policies. Tangible personal property not specifically disposed of in that memorandum or elsewhere in this Will shall pass as a part of the residue of my estate. If I leave multiple written memoranda, the memorandum with the most recent date will control. To the extent such memorandum is not valid in the state in which I reside at the time of my death, or to the extent any property listed on such memorandum is not subject to the law regarding such memorandum, I request that my executor and beneficiaries honor my wishes as expressed in the memorandum.

Any and all specific distributions shall include any insurance policies on the property and any claims under those policies.

Any specific distribution of tangible personal property to a minor may be delivered to the person who is a parent or the legal guardian of the minor.

Specific Distributions

I leave the following item described as “Baseball card collection” to Jonas Morgan, outright. If Jonas Morgan predeceases me, I leave this distribution to the “remainder beneficiaries.”

If Vanessa Morgan has predeceased me, I leave a monetary distribution of \$10,000.00 to each of my grandchildren living at the time of my death.

If any beneficiary of a distribution under this section is under the age of 18 at the time of my death, the beneficiary's share shall be held and administered in trust under the following terms:

- As to each beneficiary, the trustee shall be the parent of the beneficiary who is also my descendant. If that person cannot serve as trustee, then my executor shall be trustee.
- The trustee shall distribute all the net income of a beneficiary's trust to the beneficiary not less frequently than annually.
- The trustee shall distribute to the beneficiary, or for the beneficiary's benefit, as much of the principal as the trustee deems necessary for the beneficiary's health, education, maintenance, and support.
- When the beneficiary reaches the age of 18, the trustee shall distribute any accumulated income and principal to the beneficiary.
- If the beneficiary dies after the beneficiary's trust is established, but before the entire distribution of the beneficiary's trust, the trustee shall distribute the beneficiary's remaining interest in trust property to the beneficiary's descendants, per stirpes, to be administered under the same terms as the beneficiary's trust. If the beneficiary has no then living descendants, the trustee shall distribute the beneficiary's remaining interest in trust property to the beneficiary's heirs at law, to be administered under the same terms as the beneficiary's trust.

Bequest to Vanessa Morgan

If Vanessa Morgan survives me, I leave the remainder of my estate after specific distributions, if any, have been satisfied to the "Vanessa Morgan Trust," to be administered as follows:

- I name Vanessa Morgan as trustee. If Vanessa Morgan dies or ceases to serve, I name Rosa Nunez and Brandon Morgan as co-trustees. If a co-trustee dies or ceases to serve, the survivor(s) shall serve.
- The trustee shall distribute all the net income of the Vanessa Morgan Trust to Vanessa Morgan not less frequently than annually during the lifetime of Vanessa Morgan.
- The trustee shall distribute to Vanessa Morgan as much of the principal of the Vanessa Morgan Trust as the trustee deems necessary for the health, education, maintenance, and support of Vanessa Morgan.
- The trustee shall convert any unproductive property held in the Vanessa Morgan Trust to productive property upon a request by Vanessa Morgan in writing.
- The Vanessa Morgan Trust shall terminate upon the death of Vanessa Morgan and the trustee shall administer the remainder of the Vanessa Morgan Trust as provided in the Section below.

Estate Beneficiaries

On the termination of the Vanessa Morgan Trust, or if Vanessa Morgan predeceases me, I leave the remainder of my estate after specific distributions, if any, have been satisfied to my descendants per stirpes (the “remainder beneficiaries”). When a distribution is to be made to my descendants per stirpes, the distribution will be divided into as many equal shares as there are then-living children, and deceased children of me who left then-living descendants. Each then-living child will receive one share and the share of each deceased child will be divided among the deceased child’s then-living descendants in the same manner.

Executor

I name Vanessa Morgan as executor. If Vanessa Morgan dies or ceases to serve, I name Brandon Morgan and Rosa Nunez as co-executors. If a co-executor dies or ceases to serve, the survivor(s) shall serve.

I authorize my executor to exercise all powers without court supervision under the independent administration rules of any state where a probate may be necessary. To the maximum extent permissible under law, my executor shall not be required to post bond, security, or surety.

My executor shall have the power to access, handle, distribute, and dispose of digital assets. “Digital assets” includes files stored on digital devices, including but not limited to, desktops, laptops, tablets, peripherals, storage devices, mobile telephones, smartphones, and any similar digital device which currently exists or may exist as technology develops or such comparable items as technology develops. The term “digital assets” also includes but is not limited to emails received, email accounts, digital music, digital photographs, digital videos, software licenses, social network accounts, file sharing accounts, financial accounts, domain registrations, DNS service accounts, web hosting accounts, tax preparation service accounts, online stores, affiliate programs, other online accounts and similar digital items which currently exist or may exist as technology develops or such comparable items as technology develops, regardless of the ownership of the physical device upon which the digital item is stored.

Reference to my executor includes any alternate or successor executor or co-executors, however named or appointed. Except as otherwise stated herein, if there are two or more executors, the powers conferred upon them may be exercised by a majority of them.

Guardian

I name Vanessa Morgan as the guardian of my minor children existing at the time of my death. If Vanessa Morgan dies or ceases to serve, I name Rosa Nunez as guardian. To the maximum extent permissible under law, any guardian named herein shall not be required to post bond, security, or surety.

Testamentary Trust Administrative Provisions

The interest of each beneficiary shall be held subject to a "spendthrift trust" and shall be subject to the maximum spendthrift restraints permitted by law.

If there is a vacancy in the office of trustee, then the beneficiaries, by majority, may appoint a successor trustee in writing.

The trustee shall have and possess and may exercise all of the rights, powers, and authorities incident to the office of trustee or required in and convenient for the discharge of the trust or impliedly conferred or vested in the trustee under the laws of California or any other jurisdiction whose law applies to my Will.

The trustee shall have, in the investment and reinvestment and administration of the securities and property forming the corpus of this trust, the widest latitude and authority permitted by California law.

The trustee is authorized to accept and retain any property donated to this trust for as long a period of time as the trustee may think proper, even though such property is of a kind or in an amount that ordinarily would not be considered suitable for trust investments.

The trustee is authorized to select an attorney for the trust created herein and may employ a certified public accountant to prepare tax returns due by the trust.

The trustee may pay for the trust all taxes due by the trust and any and all expenses incurred in connection with the administration thereof, such as fees for the preparation of income tax returns, legal fees, compensation of the trustee, periodic accountings, or any other expenses. All such compensation and any charges payable by the trust shall be charged against income to the extent income is available and any excess charged against principal.

Anyone dealing with the trustee in good faith may rely upon any statement of fact certified by the trustee.

Miscellaneous Provisions

If any legal heir of mine, any person claiming under any such heir, or any other person, directly or indirectly, contests or attacks this Will or any of its provisions, or conspires with or assists anyone

in any such contest, or pursues any creditor's claim that my Executor reasonably deems to constitute a contest, any share or interest in my estate is revoked and shall be disposed of as if the contesting beneficiary had predeceased me without descendants, and shall augment proportionately the shares of my estate passing to or in trust for my beneficiaries who have not participated in such acts. This Article shall not apply to a disclaimer. Expenses to resist a contest or other attack of any nature shall be paid from my estate as expenses of administration.

If any part of my Will is determined to be void or invalid, the remaining provisions will continue in full force and effect.

From that property not specifically bequeathed, my executor shall have full power and discretion to select particular properties, groups of properties, or classifications of properties to satisfy any other bequest.

Unless otherwise specified in this Will, if a beneficiary is under the age of eighteen (18) at the time of my death, that beneficiary's inheritance shall be held in trust, with my executor as their trustee, until the beneficiary attains the age of eighteen (18). The trustee may distribute to the beneficiary, or expend for their benefit, so much of the beneficiary's inheritance, at such time or times and in such amounts and manner as the trustee, in their discretion, shall determine to be necessary for the beneficiary's health, education, maintenance, or support. This trust will be subject to the Testamentary Trust Administrative Provisions contained in this Will.
