Tangible Personal Property

I may prepare a memorandum, signed by me, directing the disposition of my interests in certain tangible personal property. My memorandum or other similar writing directs how I give all my tangible personal property and any insurance policies covering the property and any claims under those policies. Tangible personal property not specifically disposed of in that memorandum or elsewhere in this Will shall pass as a part of the residue of my estate. If I leave multiple written memoranda, the memorandum with the most recent date will control. To the extent such memorandum is not valid in the state in which I reside at the time of my death, or to the extent any property listed on such memorandum is not subject to the law regarding such memorandum, I request that my executor and beneficiaries honor my wishes as expressed in the memorandum.

Any and all specific distributions shall include any insurance policies on the property and any claims under those policies.

Any specific distribution of tangible personal property to a minor may be delivered to the person who is a parent or the legal guardian of the minor.

Bequest to Trust

I leave the remainder of my estate to Vanessa and Isaac Morgan Trust, an inter vivos trust created by me as Settlor, including any amendments thereto or restatements thereof.

Executor

I name Vanessa Morgan as executor. If Vanessa Morgan dies or ceases to serve, I name Rosa Nunez and Brandon Morgan as co-executors. If a co-executor dies or ceases to serve, the survivor(s) shall serve.

I authorize my executor to exercise all powers without court supervision under the independent administration rules of any state where a probate may be necessary. To the maximum extent permissible under law, my executor shall not be required to post bond, security, or surety.

My executor shall have the power to access, handle, distribute, and dispose of digital assets. “Digital assets” includes files stored on digital devices, including but not limited to, desktops, laptops, tablets, peripherals, storage devices, mobile telephones, smartphones, and any similar digital device which currently exists or may exist as technology develops or such comparable items as technology develops. Reference to my executor includes any alternate or successor executor or co-executors, however named or appointed. Except as otherwise stated herein, if there are two or more executors, the powers conferred upon them may be exercised by a majority of them.

Guardian

I name Vanessa Morgan as the guardian of my minor children existing at the time of my death. If Vanessa Morgan dies or ceases to serve, I name Rosa Nunez as guardian. To the maximum extent permissible under law, any guardian named herein shall not be required to post bond, security, or surety.

Miscellaneous Provisions

If any legal heir of mine, any person claiming under any such heir, or any other person, directly or indirectly, contests or attacks this Will or any of its provisions, or conspires with or assists anyone in any such contest, or pursues any creditor's claim that my Executor reasonably deems to constitute a contest, any share or interest in my estate is revoked and shall be disposed of as if the contesting beneficiary had predeceased me without descendants, and shall augment proportionately the shares of my estate passing to or in trust for my beneficiaries who have not participated in such acts. This Article shall not apply to a disclaimer. Expenses to resist a contest or other attack of any nature shall be paid from my estate as expenses of administration.
